Education

Bachelor of Technology (B.Tech) in Computer Science & Engineering

ABES Engineering College, affiliated to AKTU, Ghaziabad, UP

Oct. 2021 – Present

CBSE BOARD

High School & Intermediate;

Apr. 2017 – May 2020

Skills

Technology: C/C++, Python, HTML, CSS, JavaScript, React, Node.js, MongoDB,

Course Work: Data Structures and Algorithms, Operating System, Object-Oriented Programming, DBMS

Tools: Git, GitHub, PostgreSQL, Clerk

Frameworks: Next.js, Express.js

Soft Skills: Problem Solving, Time Management, Thoughtful Communication, Adaptability, Perseverance

Projects

AI Mock Interview App

Tech Used: Next.js, React, Tailwind CSS, Postgres, Drizzle ORM, Clerk, Gini API

[Source Code](#)

- Developed an AI mock interview app using Next.js and React for the frontend, integrated with Tailwind CSS for styling.
- Utilized Postgres and Drizzle ORM for the backend, with Clerk.js managing user authentication and route protection.
- Integrated Gini API and Generative AI SDK for AI-driven interview questions, with features like webcam integration, Speech-to-Text, and Text-to-Speech functionalities.

StudyNotion (Ed-Tech Platform)

Tech Used: React, Node.js, Express.js, MongoDB, Tailwind CSS, Cloudinary

[Source Code](#)

- Developed a full-stack EdTech platform, StudyNotion, using the MERN stack (MongoDB, Express.js, React.js, Node.js) to create, manage, and consume educational content.
- Implemented user authentication and course management features, enabling students to enroll in and rate courses.
- Integrated Cloudinary for efficient media management, handling course-related media content such as videos and images.
- Used RESTful APIs to ensure communication between frontend and backend, delivering a reliable and secure platform.

Job-Portal

Tech Used: React, Node.js, Express.js, MongoDB, Tailwind CSS

[Source Code](#)

- Developed a job portal using React, Node.js, Express.js, MongoDB, and Tailwind CSS for user-friendly job listings and applications.
- Implemented dynamic filtering based on job titles and locations to enhance user experience.
- Created a responsive UI with Tailwind CSS, ensuring compatibility across various devices.
- Integrated backend functionality with Express.js, managing API routes for efficient data handling and user requests.

Certifications

PCAP - Programming Essentials in Python

Cisco Networking Academy

Front End Development (HTML,CSS)

Great Learning Academy

Introduction to JavaScript

Great Learning Academy

SQL Basic

HackerRank

Problem Solving (Basic and Intermediate)

HackerRank

Python for Data Science, AI & Development

Coursera

AWS Certified Cloud Practitioner

AWS Academy Graduate

Achievements

- **LeetCode** [Anubhav_1.4.1.2] – Solved 300+ problems
- **CodeChef** [asaini14] – Solved 200+ problems
- **GFG** [navsainc839] – Solved 100+ problems

Extra-Curricular Activities

Certificates

- **Coding Competitions & Hackathons** – Participated in coding challenges and hackathons, enhancing problem-solving and teamwork skills.
- **Cybersecurity Workshop** – Attended a workshop on cybersecurity and ethical hacking.
- **CancerAid Society** – Volunteered in awareness programs for cancer prevention.
